

An epic production that has captivated audiences ever since its debut, Sight & Sound Theatres®' *Noah* brings delightful creativity and unique realism to the events surrounding the Flood. Follow Noah as he obeys God's instructions and builds an enormous boat in a skeptical, godless environment. Watch in amazement as trained animals hurry to the ark, two-by-two. Then, enter the expansive ark that stretches across the 300-foot stage, where countless animals float on the rising waters with Noah and his family. Discover with fresh eyes this classic account of how God rescued Noah - a message of hope beyond the rainbow!
