- **Leadership Development** - Always wanted to go to that conference or workshop? Remember, you will be asked to share within the Presbytery about your experience.
- **Outreach/Social Witness** - An old-fashion mission grant. Preference will be given to projects that involve 2 or more congregations/specialized ministries.
- **Mission Critical** - Your faith is strong but you just can't afford that work which must be done.

Funding applications will be reviewed by the Administrative Commission which will seek to balance grants between the grant categories to the extent possible.
